WP(C) 2358/2007
BEFORE
HON’BLE JUSTICE RANJAN GOGOI

Heard Mr. S. S. Rahman, learned counsel for the petitioner, Mr. P. Talukdar, lea rned counsel appearing for the respondent Nos.1 and 2 and Mr. A. K. Sarma, learn ed counsel appearing for the respondent No.3.

The petitioner, who is an Executive Engineer in the Water Resources Department, has been transferred from Nalbari to Guwahati by an order dated 10th of May 2007 . Interference with the said transfer order by the Court has been sought on the ground that the petitioner is presently suffering from certain health problems a nd therefore he may be allowed to remain in Nalbari, at least for the next six m onths.

Consideration of the grounds urged by the petitioner, as noticed above, is the p rimary duty of the employer who would be best posted with the requisite facts fo r a just decision in the matter. Which officer should be posted where and on wha t consideration are questions that are normally not entered into by the Courts.

For the aforesaid reasons, I decline to entertain this writ petition with libert y to the petitioner to approach the Government for redressal of his grievance. N eedless to say, if the petitioner makes such an approach, the concerned authorit y will be under an obligation to consider the same in a fair and unbiased manner and pass orders thereon with utmost expedition.

Writ petition is accordingly disposed of in terms of the above directions.
